Subject: Microsoft Settlement

The proposed Microsoft-DOJ settlement is a judicial travesty. I hereby state that I strongly disagree with the proposed settlement and disapprove of the proposed settlement.

I am a 20+ year computer professional (as a member of the Association for Computing Machinery), former (and tenured) academic, civil servant, and current executive in the private sector. Feel free to contact me with any questions or comments. I hereby place this comment in the public domain.
